

Math 265 - Summer 2020 - Quiz 2

Instructions:

- (1) This is an open-book quiz. You may reference any material given to you for this course, including the textbook. You may not reference outside sources on the Internet. You may not discuss this with other students in the class.
- (2) Write your solutions neatly on a blank piece of paper. Clearly label each question number and letter. You must show all of your work to support your answer. Your quiz will be graded on both the answers and the supporting work.
- (3) When you are done, please take a photo or scan of your work and attach it to the corresponding file response on Blackboard.

(Academic honesty statement) The following statement must appear in completed form on your quiz; you must copy the statement word-for-word (filling in the blanks suitably). Quizzes submitted with no academic honesty statement will receive no points.

I _____ hereby affirm that
(full name)

I have not communicated with anyone other than the instructor in any form regarding the content of this quiz after it was posted. I further affirm that all resources I have used were from approved sources.
