Request for a third attempt of: Math 274 Term: Spring 2020
Course Subject & Number Term you plan to repeat course at Towson

Course applies toward: ☒ Major/Minor ☐ Core/GenEd ☐ Prerequisites ☐ Electives

Indicate terms the course was unsuccessfully attempted at Towson University (ex: Spring 2014):

1st attempt: Fall 2018 2nd attempt: Fall 2019

Student Plan to Successfully Complete Course (attach additional page if necessary):

As this will be my third time attempting this course I look to approach this course more aggressively. Visiting the professor's office hours when I do not understand a topic. More hours of studying not just when exams come around. Approach outside sources for help, as in tutoring programs, and york tutoring.

It is recommended that you consult with your academic advisor regarding your need for a third attempt.

Have you consulted with your advisor? ☐ Yes ☒ No

Advisor Name (Printed): Wei Yu

I understand that if permitted another attempt of this course at Towson University that this will be my final attempt. If I am unable to successfully complete this course in this final attempt, I may be required to change my major and/or minor as a result.

SECTION 2: (Department Completes - To be signed by the department that **owns** the course)

Department Action: APPROVED

Comments:

A similar form was approved on 12/12/19 before the end of the semester. Student will need to drop MATH 330 for Spring 2020, as this is a prerequisite for that course.
